

# BRYN EDWIN HALL

*We just care*

Issue 1 | February 2022

## New staff

Hilda is from Zimbabwe and has been a senior care worker since 2018. She has her qualification as a Nurse Aid from St. Johns Wood Ambulance. "I am a hardworking and professional carer with a genuine interest and enthusiasm for helping and looking after people."

## Volunteers

Volunteering in a care home can be an incredibly rewarding thing to do and the relationship between residents and volunteers is not just one-sided. Volunteering opportunities can prove transformational, promoting inter-generational and cultural understanding and respect.

It helps residents to keep in touch with the outside world, gives them an opportunity to remember the good times and improves their wellbeing and quality of life.

If you would like to volunteer at Bryn Edwin House please contact us

## Day Care

Bryn Edwin Hall has started day care services. Day residents can enjoy a wide variety of activities

We just care

## Activities

Residents' beautiful flower arrangements

*(Above Left) Our occasion books are in the reception hall. Please feel free to look through these.*

*(Left) Exciting new addition to Bryn - our sweet cart!*

Join Bryn Edwin Facebook page to see more!

## Students

We have students from Deeside College volunteering at Bryn Edwin House once a week. They are currently studying Adult Social Care. We are pleased to support them in gaining practical experience and working alongside our care staff.

## USEFUL INFORMATION AND FINAL MESSAGE

Please don't forget to check your relatives gateway.

The relatives gateway allows you to access information about your relatives care. This includes their care plan, daily care provided, means of sharing pictures and messages, and their happiness chart.

If you do not have access to the relatives gateway please follow this link and locate Amber Care. You will need to provide your email to Bryn Edwin Hall for your username and password.

### Fund Raising

We are currently raising money for a defibrillator. The local community has donated items for us to raise money for the Defibrillator. We have raised £200 so far, we will come up with other ideas to fund this. Name the bear by the door!

### Next of Kin Meeting

Thank all for attending the meeting. Minutes will be sent out via email and post for those that do not have email.
